

THE ALL-NEW 2025
MERIDIAN

BUILT FOR BIG

For those who refuse to compromise, for those who like to live large, the big personalities, the big adventures they go on, and the big memories they make along the way. The All-New 2025 Meridian is truly Built for Big. With state-of-the-art features, impeccably crafted interiors, and stand-out style, this is an SUV that complements your way of life, and fits right in to your tastes of 'Big' living.

*Image shown is for illustration purpose only. Actual product may vary.

BIG ON DESIGN

LED PROJECTOR HEADLAMPS WITH INTEGRATED DAYTIME RUNNING LAMPS

Light up your adventures in style with the LED Projector Headlamps on the All-New Meridian. The integrated Daytime Running Lamps accentuate the look of the SUV, ensuring its presence is noticed, even in bright daylight.

DIAMOND-CUT DUAL TONE 45.72 CM (R18) ALLOY WHEELS

The diamond-cut design and glossy grey 18-inch wheels of the All-New Meridian add to its big and bold presence on the road.

DUAL-PANE SUNROOF WITH TWO TONE ROOF

Enjoy a scenic view on all your adventures. This SUV sports a dual-pane sunroof with a two-tone roof, for an impressive and bold look, offering a clear, unobstructed view on your drives.

*Image shown is for illustration purpose only. Actual product may vary.

BIG ON CONNECTIVITY

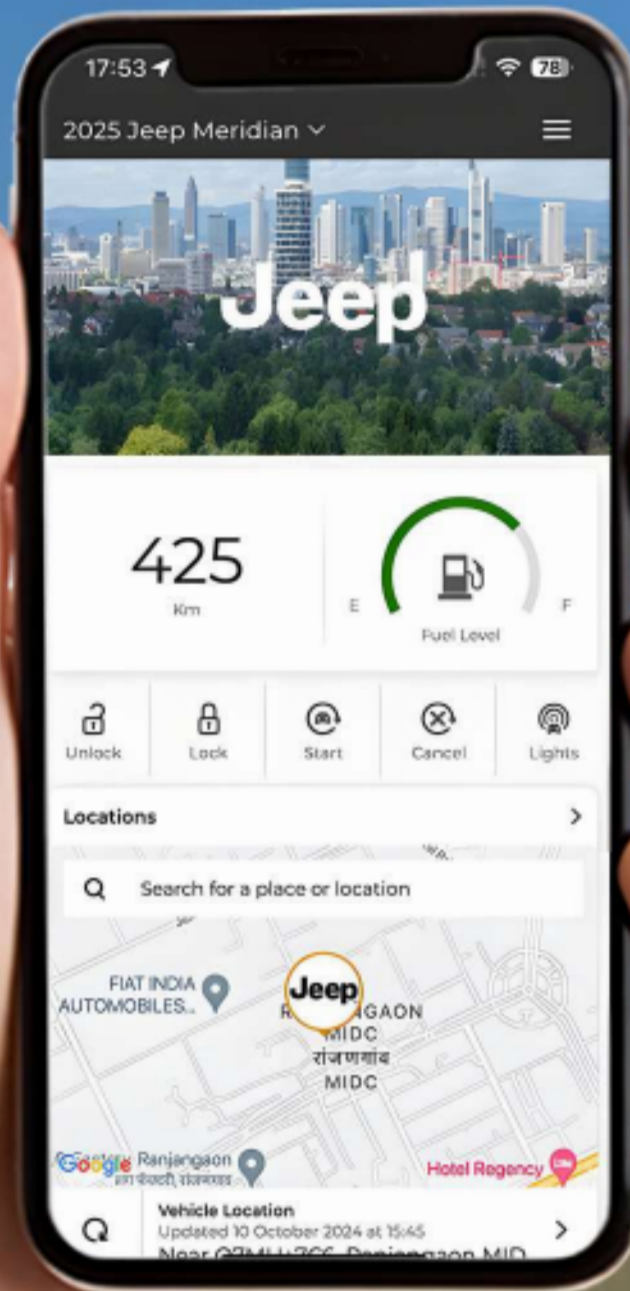

REMOTE ENGINE START/STOP WITH AC PRE-CONDITION

Designed for big convenience, enjoy Remote Connectivity with advanced features like Remote Engine Start/Stop with AC Pre-Conditioning for advanced comfort when kick-starting adventures.

ALEXA HOME TO VEHICLE ASSISTANCE

Experience seamless connectivity between your home and the All-New Meridian with Alexa Home To Vehicle Assistance that offers features such as Remote Engine Start/Stop, Lock/Unlock Doors and lets you control other vehicle functions with utmost ease.

AUTOMATIC EMERGENCY CALL DURING CERTAIN CRASH CONDITIONS

Assistance is always just a moment away with the All-New Meridian's Automatic Emergency Call feature, which automatically contacts emergency services, providing your location and relevant information in case you're unable to make the call yourself.

VEHICLE HEALTH STATUS REPORT

Monitor real-time insights with the Vehicle Health Status Report, and stay up-to-date on your big Jeep SUV's health with maintenance alerts in advance.

VEHICLE LAST LOCATION FINDER

The Vehicle Last Location Finder feature in the All-New Meridian uses GPS technology to pinpoint your SUV's last known location. So that you can always locate your vehicle, whether you've parked in a crowded lot or forgotten where you left it during a busy outing.

*Image shown is for illustration purpose only. Actual product may vary.

BIG ON SAFETY

ADAS

The All-New Meridian takes safety seriously, which is why it comes equipped with Advanced Driver Assistance Systems (ADAS). With cutting-edge features that offer both awareness and support, every journey you take is smarter and safer.

*Image shown is for illustration purpose only. Actual product may vary.

INTELLIGENT SPEED ASSIST

Using Traffic Sign Recognition and advanced tech in the All-New Meridian, the Intelligent Speed Assist provides alerts and automatically adjusts your vehicle's maximum speed, helping you stick to the speed limits effortlessly.

DRIVER ATTENTION WARNING

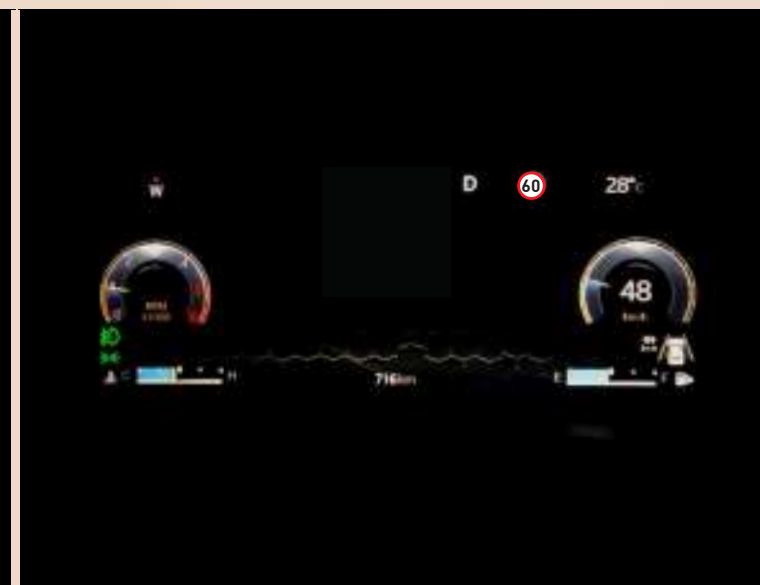

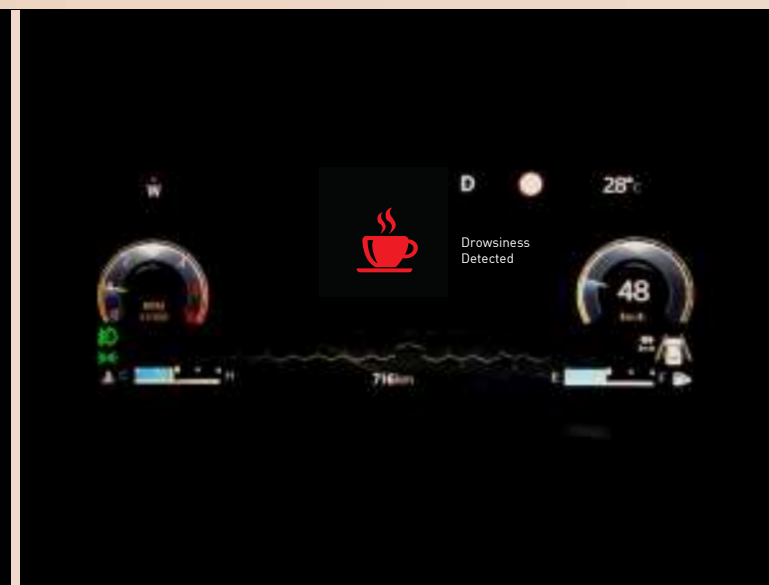

Constantly analysing and monitoring your driving patterns, the Driver Attention Alert System detects signs of fatigue and distraction. When it senses a problem, it alerts you using visual and auditory warnings, making sure that you drive safely, even when the journey's longer.

TRAFFIC SIGN RECOGNITION

Traffic Sign Recognition System scans roads for traffic signs, which are directly displayed on the dashboard and warns especially in case of exceeding speed.

SURROUND VIEW MONITOR

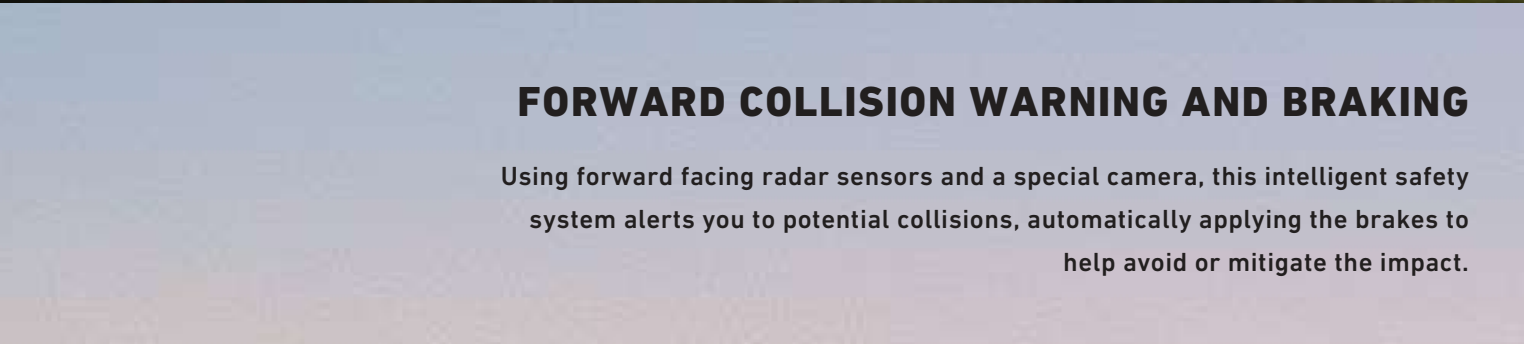

Now be aware of every angle with the Surround View Monitor, which gives you a bird's-eye view of the SUV and its surroundings, making manoeuvres like parking easier than ever before.

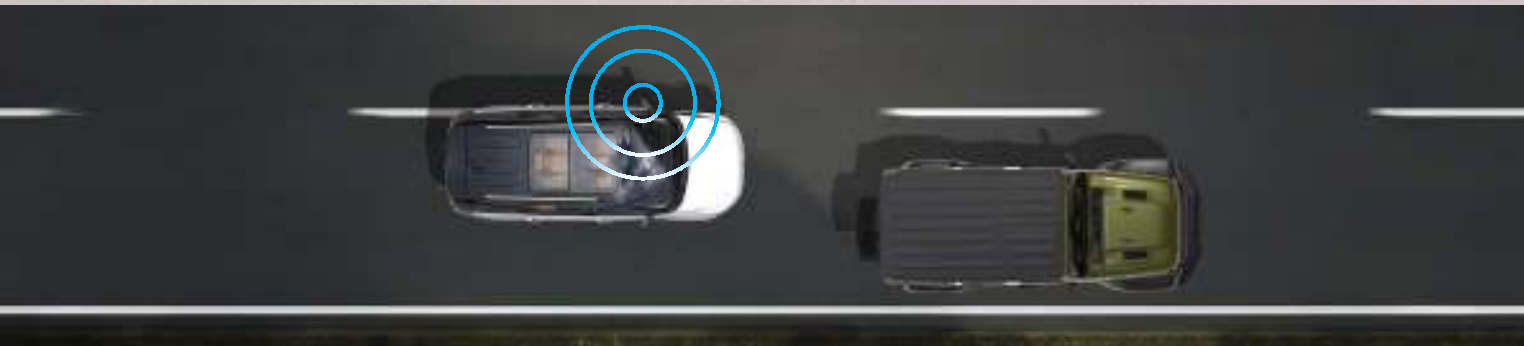

ADAPTIVE CRUISE CONTROL

Now maintain a smooth driving experience with Adaptive Cruise Control. It automatically adjusts the vehicle's speed to keep a set distance from the vehicle ahead, making every journey safe and effortless.

FORWARD COLLISION WARNING AND BRAKING

Using forward facing radar sensors and a special camera, this intelligent safety system alerts you to potential collisions, automatically applying the brakes to help avoid or mitigate the impact.

BLIND SPOT COLLISION WARNING

Using sensors in the rear corner panels, the Blind Spot Monitoring System continuously monitors blind spots around your vehicle, warning you using visual and audible alerts when a vehicle enters your blind spots, ensuring that you stay aware of even hidden dangers.

LANE KEEP ASSIST

Drive confidently on a straight course with Lane Departure Warning and Lane Keep Assist that detects lane markings and alerts with visual warnings, applying assist torque to the steering wheel to position the SUV in the lane.

HIGH BEAM ASSIST

Now light up your journey smartly with High Beam Assist, which automatically toggles the High Beams depending on the surrounding traffic conditions, helping you avoid glaring other drivers on the road.

*Image shown is for illustration purpose only. Actual product may vary.

360-DEGREE VIEW CAMERA

The 360-Degree Camera in the All-New Meridian helps you navigate through jam-packed traffic and tight parking spots by giving you a bird's eye view of the vehicle. It enhances your driving experience by giving you complete situational awareness. The 360-Degree Camera also flags off previously hidden blind spots, either on the screen or through audio warnings.

ELECTRONIC PARKING BRAKE (EPB)

The Electronic Parking Brake works in conjunction with the driver's actions. The automatic drive away release system disengages once the SUV is ready to drive. It also engages automatically in case the doors are not completely closed, the seatbelts are not buckled in, or in case the driver exits the vehicle without applying the parking brakes.

*Image shown is for illustration purpose only. Actual product may vary.

ELECTRONIC ROLL MITIGATION (ERM)

The Electronic Roll Mitigation system helps prevent body roll at high speeds and also protects the SUV against rollovers during sharp turns.

TRACTION CONTROL SYSTEM (TCS)

The Traction Control System ensures that the tyres have optimum grip, providing total control and safety for you and your passengers at all times.

ELECTRONIC STABILITY CONTROL (ESC)

The Electronic Stability Control system helps keep the SUV steady and in control, even with a sudden turn of the steering wheel at high speed.

TYRE PRESSURE MONITORING SYSTEM (TPMS)

Now, you can monitor the air pressure in your SUV's tyres and be alerted when the pressure in one or more of the tyres is below the recommended or safe level.

SIX AIRBAGS

The All-New Meridian features six airbags in the front and rear seats to keep you and your passengers protected in case of any mishaps.

*Image shown is for illustration purpose only. Actual product may vary.

**NINE HIGH-PERFORMANCE
ALPINE SPEAKERS**

The All-New Meridian features nine high-performance Alpine speakers with a high-power external amplifier, to get you grooving with your favourite beats on every journey. Now, say goodbye to dull moments, anywhere.

B I G O N T E C H N O L O G Y

**25.6 cm (10.1)
UCONNECT™
INFOTAINMENT SYSTEM**

With a 25.6 cm (10.1) immersive touchscreen, the Uconnect™ Infotainment System in the All-New Meridian offers a variety of entertainment and communication services at your fingertips. The Uconnect™ Infotainment System also features wireless Apple CarPlay and Android Auto, for a seamless interactive experience. From your maps to your music and much more, you can now control your phone from here, wirelessly.

**25.9 cm (10.2)
DIGITAL INSTRUMENT
CLUSTER**

The 25.9 cm (10.2) digital instrument cluster can be customised to keep up with all the important details about the All-New Meridian, right in front of your eyes.

INTEGRATED NAVIGATION

Navigate your adventures with ease in the All-New Meridian. The Integrated Navigation System in the SUV is ready to guide you on all your journeys.

**INTEGRATED
VOICE COMMANDS**

With Integrated Voice Commands in the All-New Meridian, controlling the radio, media options, phone calls and messages, climate control, and navigation, can all be done hands-free. Just give the voice command and the SUV will make it happen.

WIRELESS CHARGING

Now charge your smartphone without the hassle of cables. Simply place a compatible smartphone on the wireless charging pad to stay powered up on your adventures.

*Image shown is for illustration purpose only. Actual product may vary.

BIG ON COMFORT

OPTIONAL 5-SEATER TRIM

The easy fold-and-tumble feature with the Optional 5-Seater Trim makes more room for both, solo and shared adventures.

(50:50) FOLD-FLAT THIRD-ROW SEAT

Now, there's space for everything you need and more. The third-row seats fold flat, giving you extra space for your adventure gear.

12-WAY POWERED FRONT SEATS WITH LUMBAR SUPPORT AND DRIVER MEMORY FUNCTION

Make all your adventures comfortable with ergonomic front seats that can be adjusted electronically in 8 ways, including 4-way lumbar support. The driver's seat also features a memory function, saving up to two driving positions that can be recalled at the press of a button.

ALL THREE ROWS RECLINE FUNCTION (60:40) - WITH SECOND ROW TUMBLE AND FOLD

The All-New Meridian comes with an easy recline function in all three rows. The easy fold and tumble feature of the second row gives you ample space to enjoy every adventure in absolute comfort.

*Image shown is for illustration purpose only. Actual product may vary.

DUAL-ZONE AUTOMATIC CLIMATE CONTROL

Dual-zone automatic climate control regulates the airflow and temperature inside the cabin efficiently. It also allows you to create customised environments, keeping all passengers happy and comfortable in the All-New Meridian.

SMART VENTILATED SEATS

The All-New Meridian features ventilated seats to keep you cool and comfortable on every adventure and in all kinds of weather conditions.

PREMIUM TUPELO VEGAN LEATHER UPHOLSTERY WITH SUEDE INSERTS

The Premium Tupelo Vegan Leather Upholstery elevates the cabin space and makes all your adventures not only look distinct but also feel incredible.

*Image shown is for illustration purpose only. Actual product may vary.

BIG ON ADVENTURE

ALL-SEASON TYRES

The All-New Meridian comes equipped with all-season tyres that promise a smooth and safe ride in all seasons. The tyres offer maximum traction in all kinds of driving conditions, whether on or off the road.

JEEP 4x4 SYSTEM WITH SELEC-TERRAIN

The Selec-Terrain traction management system in the All-New Meridian offers multiple terrain optimisation options, namely, Auto, Mud/Sand and Snow, allowing you to drive and conquer every terrain, just at the press of a button.

FREQUENCY SELECTIVE DAMPING SUSPENSION

The Frequency Selective Damping (FSD) suspension system adjusts the damping force in accordance with road conditions and driving dynamics, providing you with optimal comfort and control on all your adventures.

*Image shown is for illustration purpose only. Actual product may vary.

LONGITUDE

- 5-Seater Configuration for extra boot space.
- 10.1" Uconnect™ Touchscreen to seamlessly navigate your adventures.

LONGITUDE PLUS

- 7-Seater Configuration with a 50:50 fold-flat third row seat.
- Dual-Tone Panoramic Sunroof that adds a new dimension to your adventures.
- Wireless Charging for added convenience.

LIMITED

- Wicker Beige Vegan Leather Upholstery that makes every adventure feel distinct.
- Seamless connectivity including Remote Engine Start/Stop with AC Pre-Conditioning, and Alexa Home to Vehicle Assistance.

OVERLAND

- Premium Tupelo Vegan Leather Upholstery with Suede Inserts.
- Intelligent ADAS suite and advanced safety features for total protection.
- Powerful 4×4 System that can conquer almost any terrain.
